

Project Name: Public Improvement Construction Plan Soleana

Project Number: RE2026-019

Date Received: 02/19/2026

Jurisdiction: Town of Castle Rock

Due Date: 03/25/2026

Addressing Comments:

No Comments

Engineering Comments:

1. It appears that the Douglas County Public Works Engineering Comments have been addressed on this project.
2. Please keep Douglas County Public Works Engineering apprised of the emergency access easement across the Aker Property. This is an important secondary connection to serve the Silver Heights Development and would also serve Soleana.
