**RE: Castle Rock Sanitary Sewer Main Extension – 1st Submittal
Kiowa Project Number 24043**

To Whom it May Concern:

This letter has been prepared to accompany the Construction Document submittal application. A sanitary sewer main extension is needed to provide sanitary sewerage outfall for the Castle Rock Fire Station 156 & Logistics Facility. Per coordination with the Town, the sanitary sewer main extension will be extended from the existing sanitary sewer main at the intersection of Castle Oaks Drive & Missoula Trail Drive approximately 3,950 feet southwest to a location adjacent to the Fire Station.

The sanitary sewer main will remain either within Castle Oaks Drive right-of-way or Town of Castle Rock owned Open Space Tracts. The sanitary sewer main will be installed within Tract A, Tract A-1, and Tract C, The Villages at Castle Rock, 2nd Amendment-Liberty Village Portion. The parcels where the main extension will be located are 234929299002, 234929299004, 234920499002, 234929101050, 234929202007, and 234929203012.

No variances are being requested as part of this sanitary sewer main extension.

Please feel free to contact me if there are any questions or if I may be of further assistance.

Sincerely,
Kiowa Engineering Corporation

A handwritten signature in blue ink, appearing to read "Jacob McMillen", is written over the typed name and title.
