

The owners of the four lots in the PS Miller House PD are requesting a zoning text change to Section 6 (Use Area Categories Regulations).

In Item 1) g. Maximum Building Coverage, we are requesting that the wording "or 2,500 square feet" and the wording "which ever is smaller" be removed.

This will revise Item 6.1 Regulations: Item 1) g. to read as follows:

1) g. Maximum building footprint coverage: 50% of any lot.
