2. General Provisions:

2.1 Purpose

A. Statement of Purpose

The purpose of this Planned Development Plan (PD Plan) and Planned Development Zoning Regulations (PD Zoning Regulations) is to establish standards for the development and improvement of the property. The standards contained in these PD Zoning Regulations are intended to carry out the goals of this planned community.

B. Application

These standards shall apply to all property contained with the Wellspring Community Planned Development, as shown on the PD Plan and these PD Zoning Regulations. These PD Zoning Regulations shall run with the land and be binding upon, and enforceable by the Town against the Owner, its successors and assigns, and every successor in interest to the Property, or any part of or interest in the Property.

2.2 Authority

A. Authority

The Town Council has adopted the Wellspring Community PD Plan and PD Zoning Regulations pursuant to the authority granted by Chapters 17.32 and 17.34 of the Castle Rock Municipal Code as amended.

B. Relationship to Town of Castle Rock Regulations

The Planned Development shall be subject to the provisions of the Castle Rock Municipal Code and all rules and regulations adopted pursuant to such code, except as may be superseded by the provisions of this PD Plan and PD Zoning Regulations.

2.3 Control Provisions

A. Planning Area Boundaries

The boundaries and acreages of all Planning Areas are shown within the PD Plan. Where a Planning Area abuts an internal local street or drive, the boundary shall be the centerline of the street. Where a Planning Area abuts an arterial or collector street the boundary shall be the right-of-way of that street as indicated on the PD Development Plan. A Planning Area may be subdivided into multiple filings and phases at the Site Development Plan and Plat stage of development.

B. Amendments to the PD Plan and PD Zoning Regulations

There shall be limited flexibility in determining the exact location of the Planning Area Boundaries and dwelling units as depicted on the PD Plan due to the scale of the drawings and the diagrammatic depiction on the PD Plan of Planning Areas. Any amendment to the PD Plan and PD Zoning Regulations shall be made in accordance with the provisions of Chapter 17.36 of the Town of Castle Rock Municipal Code, as amended.

C. Road Alignments

The PD Plan is intended to depict general locations of roadways. Recognizing that the final road alignments are subject to engineering studies. Modifications to major road alignments as shown on the PD Plan, as determined by the Town of Castle Rock Development Services Director, shall follow the PD Amendment procedure as provided in the Town of Castle Rock Municipal Code. Modifications to minor road alignments of streets are expected, and can be accomplished by the developer through the platting process without any amendment to these regulations or to the PD Plan itself.

D. Phasing

The phasing order indicated on the Planned Development is obligatory upon the Developer per the terms and conditions of the Development Agreement.

E. Severability of Provisions

In the event any provision of this PD Plan or PD Zoning Regulations shall be determined to be illegal or void by the final order of any court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

3. Development Agreement:

These regulations are subject to the terms and conditions of that certain _____ Development Agreement by and between the Town and the Owner dated __, 202__ and recorded in the Property Records at Reception No. ____, on __, 202___. In the event of any conflict between these regulations and the Development Agreement, the terms of the Development Agreement shall control.

4. Development Standards by Planning Area:

Planning Area	Land Use	Acreage	% of Total Acres
Planning Area 1	O	1.67	61.4%
Planning Area 2	OSP	0.62	22.8%
Planning Area 3	ROW	0.43	15.8%

Minimum Rear Setback	15 feet	15 feet	NA
Minimum Side Yard Setback	15 feet	15 feet	NA
Minimum Side Yard Setback Adjacent to ROW	15 feet	15 feet	NA

6. Overall Project Standards

These PD Zoning Regulations shall not preclude the application of Town ordinances, including revisions to Municipal Code, which are of general application throughout the Town, unless such application would conflict with an express vested property right. The standard zoning requirements of the Town of Castle Rock Municipal Code and Technical Manuals including but not limited to off-street parking, development standards, landscaping, site development, accessory and temporary uses, and use by special review and variance processes shall apply to this Planned Development, except as modified by the following:

6.1 Lighting Standards:

All exterior lighting shall comply with the Town of Castle Rock Municipal Code illumination standards, as amended.

6.2 Fencing

- The following requirements apply to new fencing:
- For lots adjacent to open space perimeter fences are limited to a maximum height of four (4) feet and shall be split rail or open rail.
 - Fences taller than 30 inches in height above the street flowline are prohibited in sight distance easements.
 - Solid wood privacy fences are not permitted for lots that abut Open Space or are immediately adjacent to a road right-of-way.
 - Barbed wire and chain link are not permitted fencing types within any Planning Area.

6.3 Off Street Parking:

All off street parking shall be in conformance with the Town of Castle Rock Municipal Code, Title 17 Chapter 17.54, as amended, except as outlined below:

Wellspring Office – 5 spaces provided per 1,000 square feet of gross area.

6.4 Landscaping

All landscaping shall be in conformance with the Town of Castle Rock Landscape and Irrigation Criteria Manuals, as amended.

6.5 Grading / Drainage

The grading/drainage of an individual lot or open space tract shall not vary from the approved Plat and Construction Documents - Grading Plan without written approval of the Owner, certification of the Owner's Engineer(s), and Town review and approval. Any unauthorized work performed will be required to be returned to the specified grade by the individual(s) or organization(s) that authorized the change without proper approval.

6.6 Town-Owned Property

No easements, grading, or other disturbance associated with development is permitted on Town owned property without written approval from the Town of Castle Rock.

6.7 Compliance with Skyline/Ridgeline Protection Regulations

All areas within PD Plan identified as within the Skyline/Ridgeline protection area as shown on the Town of Castle Rock District Map shall be in conformance with the Town of Castle Rock Municipal Code, Title 17 Chapter 17.48, as amended.

6.8 Compliance with Residential/Nonresidential Interface Regulations

The southern boundary of the PD Plan is identified as within applicable Residential/Nonresidential Interface development area as defined within Chapter 17.50 of the Castle Rock Municipal Code, as amended.

6.9 Compliance with Dissimilar Residential Interface Regulations

All areas within PD Plan identified as within applicable Dissimilar Residential Interface development area as defined within Chapter 17.51 of the Castle Rock Municipal Code shall be in conformance with the Town of Castle Rock Municipal Code, Title 17 Chapter 17.51, as amended.

6.10 Planning and Design Around Natural Features

- Design and construction of any lot or structure shall consider the relationship of roads and buildings to existing slope grades and drainage-ways and shall achieve a fit with the landscape that is not intrusive.
- Structures in sloping areas shall be designed to conform to the slope by means of stepped foundations, retaining walls or similar methods that will seek to minimize grading and site preparation.
- Grading shall be shaped to compliment the natural land forms.
- Roads in steeply sloping or heavily vegetated areas shall be designed to minimize the area of disturbance. Where practical, clearing of vegetation within the right-of-way shall be feathered to create more natural appearing edges.

6.11 Signage

All signage shall be in conformance with the Town of Castle Rock Municipal Code, Title 19, as amended.

6.12 Retaining Walls

All retaining walls are to be constructed, or faced, with natural stone material, or equivalent (or equal as approved by the Town).

6.13 Outdoor Events

All Town of Castle Rock special event regulations apply and shall be in conformance with the Town of Castle Rock Municipal Code, as amended.

6.14 Temporary Uses

All temporary uses shall be in conformance with the Town of Castle Rock Municipal Code, as amended.

6.15 Noise

All Town of Castle Rock noise restrictions apply and shall be in conformance with the Town of Castle Rock Municipal Code, as amended.

7. Wildfire Mitigation Plan:

The site is surrounded by a mix of developed land and vacant land with little to no trees or substantial vegetation. Presently, there is a small number of trees on the existing undeveloped site. The Colorado State Wildfire Risk Viewer displays the subject site as low-moderate burn probability and fire intensity scale. National Fire Protection Association measures approved by the Town of Castle Rock Fire Department shall be incorporated into the development with associated Site Development Plan/ Construction Document/ Technical Document submittals, as required.

8. Architectural Design Standards:

Architectural design elements shall comply with all Town approved Design documents.
