C. Relationship of Town of Castle Rock Regulations

The provisions of this Planned Development Plan and Zoning Regulations shall govern the development of the Alexander Place PDP Amendment No.1. However, Town of Castle Rock Ordinances and Regulations shall govern and control over any conflicting provisions in the PD Zoning Regulations unless such conflicting provision is vested as an express development right under the applicable development agreement.

D. Maximum Level of Development

The total number of dwelling units approved for development within the established Planning Area is the maximum allowed for platting and development. The actual number of dwellings approved will be determined at the Site Development Plan/Plat stage of review based upon environmental constraints, utility and street capacity, compatibility with surrounding land uses and other relevant factors.
