Re: TRACT C THE MEADOWS #8 15.305 AM/L

Dear Town of Castle Rock,

The Meadows Community Association is interested in completing a concrete connector trail within TRACT C THE MEADOWS #8 15.305 AM/L. The intention is to have a wide concrete trail that runs behind Morning Glory Dr. from Rosecrown Ave. and connects to the concrete trail that dead ends behind Sweetgrass Ct. See the map below with the proposed trail indicated in red.

We would like to schedule a pre-application meeting with the necessary Town personnel to better understand the possible scope of this project.

Sincerely,

Stacie Snieder
