UNDERSTANDING YOUR TITLE COMMITMENT

SCHEDULE A:

No. 1: Effective date: This is the date our title plant is certified through. There will typically be a 1-2 week gap between the certification date and the date the commitment is issued.

No. 2A : Owner's Policy Proposed Insured: This is how the buyer's name(s) appear(s) on the Contract, all Closing documents and your Final Title Policy. If your name is appearing incorrectly, please advise your Realtor, Builder and/or Lender.

No. 2B : Loan Policy Proposed Insured: This is how your lender has requested their name appear. If you are working with a Mortgage Broker, then this name may be unfamiliar to you. If a determination has not yet been made on what lender will be providing your loan, then this may appear as 'TBD' (To Be Determined). If you are paying cash for this purchase, this item will be left blank.

Charges: Title Premiums, Endorsements and Tax Certificates: These are fees for the items that the Company has determined may be required by your Lender and/or to meet the terms of your contract. Your lender may request additional items. This does not include any closing fees.

No. 3: The estate or interest in the land...: This shows the type of ownership that is going to be insured.

No. 4: The Title is, at the Commitment Date...: This shows the name(s) of the current owner(s).

No. 5: The land referred to in the Commitment...: This is the 'legal' property description for the real estate you are buying or selling.

SCHEDULE B-SECTION 1:

These are Requirements that must be satisfied in order to provide clear title to the Buyer and/or Lender. The closer and/or processor for the Title Company, will generally take care of satisfying these requirements, however there may be times when your help will be needed as well. Some requirements will be met prior to closing, and others will be met at the time of closing.

SCHEDULE B-SECTION 2:

These items are Exceptions to your coverage. We are telling you these items exist (whether by recordation in the County Clerk and Recorder's office or because we have knowledge of them through other means). Since these items have been disclosed to you, you will not be provided any coverage for same. Owner's Extended Coverage will delete Items 1-5 of the pre-printed items on Residential Sale Commitments, provided that the coverage was requested by contract and collected at closing. Copies of the plat and covenants will be automatically sent to the buyer and/or Selling Agent. We are happy to also provide you with copies of any other exceptions as well.

WIRE FRAUD

ALERT

NOTIFICATION:

READ THIS BEFORE YOU WIRE FUNDS

WIRE FRAUD: THE THREAT IS REAL

Buying a home is an exciting time. You've saved, found the perfect home and planned the move. Now, the closing day for your home is just around the corner.

We want to make sure your home purchase doesn't get derailed by a dangerous threat that could keep you from getting the keys, painting walls and decorating. Criminals have stolen money meant for the purchase of homes through malicious wire fraud schemes targeting consumers across the country.

Criminals begin the wire fraud process way before the attempted theft occurs. Most often, they begin with a common social engineering technique called phishing. This can take the form of email messages, website forms or phone calls to fraudulently obtain private information. Through seemingly harmless communication, criminals trick users into inputting their information or clicking a link that allows hackers to steal login and password information.

Once hackers gain access to an email account, they will monitor messages to find someone in the process of buying a home. Hacks can come from various parties involved in a transaction, including real estate agents, attorneys or consumers. Criminals then use the stolen information to email fraudulent wire transfer instructions disguised to appear as if they came from a professional you're working with to purchase a home. If you receive an email with wiring instructions, don't respond. Email is not a secure way to send financial information. If you take the bait, your money could be gone in minutes.

What can I do to protect myself?

Despite efforts by the title industry and others to educate consumers about the risk, homebuyers continue to be targeted. Here are some tips on what you can do to protect yourself and/or your clients:

1. **If requested**, wiring instructions will be provided via an encrypted email.
2. **Call, don't email**: Confirm all wiring instructions by phone before transferring funds. Use the phone number from the title company's website or a business card.
3. **Be suspicious**: It's not common for title companies to change wiring instructions and payment info
4. **Confirm it all**: Ask your bank to confirm not just the account number but also the name on the account before sending a wire. The name on the account should state Stewart Title Company Escrow Account.
5. **Verify immediately**: You should call the title company or real estate agent to validate that the funds were received. Detecting that you sent the money to the wrong account within 24 hours gives you the best chance of recovering your money from the hackers.
6. **Forward, don't reply**: When responding to an email, hit the "forward" button instead of clicking the "reply" button, and then start typing the person's email address. Criminals use email addresses that are very similar to the real one for a company. By typing in email addresses, you will make it easier to discover if a fraudster is after you.

URGENT WARNING ABOUT WIRE FRAUD AND WIRING INSTRUCTIONS - PROTECT YOURSELF

Think of the large amounts of money changing hands as part of your real estate transaction. This makes you a target for criminals who send emails to home buyers and sellers and their real estate or mortgage brokers with false wiring instructions. Instead of your money being sent to the proper account, it ends up in the fraudster's account.

If a third party sends you false information and you wire your money to the account they provide, it is likely you may never recover the money. The money is just gone.

How do you avoid being scammed?

- ▶ To ensure receiving or sending wiring instructions in the safest manner possible, they should be obtained or delivered in person or from an initial order package you received or in the mail from your Stewart Title Company representative.
- ▶ Before wiring funds, always call and speak with your Stewart Title Company representative to verify instructions using the contact information you received in your initial order package or in person.
- ▶ Never rely on email for wiring instructions as accounts can be faked or hacked and messages can be intercepted.
- ▶ If at any point during a transaction you receive changes to the wiring instructions you have been provided, this is a huge red flag. Immediately call your Stewart Title Company representative for verification. Always use a verified telephone number -never the number in the email with the wiring instructions.
