ORDINANCE NO. 94-42

AN ORDINANCE AMENDING  
ORDINANCE NO. 87-12 OF  
THE TOWN OF CASTLE ROCK, COLORADO  
(THE CASTLE PINES COMMERCIAL P.D.)

WHEREAS, the Town Council of the Town of Castle Rock finds that:

- (a) A petition relating to the Castle Pines Commercial P.D. Plan has been filed with the Town Clerk requesting an amendment to Ordinance No. 87-12 of the Town of Castle Rock, and;
- (b) Said petition has been forwarded to the Town Council, and;
- (c) Public meetings and hearings, following notice duly made and published pursuant to applicable Colorado Statutes and Town of Castle Rock ordinances, have been held before the Planning and Zoning Commission of the Town of Castle Rock, and the Town Council of the Town of Castle Rock, and;
- (d) The amendment sought complies with the stated purposes of the Planned Development Ordinance 17.60 as set forth in subsection 17.60.010 thereof.

1

THEREFORE, IT IS ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF  
CASTLE ROCK, COLORADO AS FOLLOWS:

SECTION 1. Zoning Classification. The zoning  
classification of the land remains Planned Development (PD).

SECTION 2. Amendment. Ordinance 87-12, in so far as it  
affects the land described in Exhibit A, is repealed and reenacted  
to read as follows:

April 24, 1995  
CN-5847  
DN-88044.7

SECTION I  
GENERAL PROVISIONS

- 1.0 This ordinance constitutes an amendment to the Castle Rock Zoning Ordinance, and the Zoning Map of the Town of Castle Rock, as depicted on Exhibit C, attached hereto and made a part hereof, and establishes permitted uses and development standards for each tract within the Land. This ordinance shall not amend Ordinance No. 87-12 as it relates to property other than the Land.

April 24, 1995  
CN-5847  
DN-88044.7

SECTION II  
DEFINITIONS

2.1 Community Recreational Facilities.

Indoor or outdoor structures or areas for community recreation to include, but not to be limited to, swimming pools, tennis courts, facilities for other indoor or outdoor recreational activities together with incidental restaurants, lounges, shops and personal service establishments.

2.2 Building Height.

The vertical distance from the average finished grade (not including berming or grading for the purpose of permitting a higher building) surrounding a structure to the uppermost point of the roof structure. Chimneys, ventilators, elevator housings, skylights, solar collectors, air conditioning and heating units, antennas, architectural projections and necessary mechanical appurtenances usually constructed above roof level are not to be considered in determining building height.

2.3 Building Setback.

The horizontal distance between a platted lot line and a building or structure. This distance does not include the projections of eaves, overhangs, fireplaces, patios, decks, fire escapes, mechanical units or similar architectural appurtenances except that no such projection shall extend beyond any lot line of the lot on which they are located. In instances where buffer areas are provided, the width or depth of any such buffer area may be subtracted from the required setback to either reduce or eliminate such setback.

2.4 Master Developer.

Dev-Vic Ltd. Liability Co., a Colorado limited liability company, and 95 LTD. Liability Co., a Colorado limited liability company, or their successors or assigns as Master Developer.

2.5 Private Open Space.

Space, suitable for landscaping, passive and/or active recreation, gardens, view protection and enhancement, and/or other appropriate uses, which is held in common ownership.

## SECTION III

### OVERALL PROJECT STANDARDS

#### 3.1 Parking.

Off-street parking is required for all land uses. Except as otherwise specifically provided herein, the number and size of all required parking spaces are to be in conformance with the applicable Town of Castle Rock Zoning Regulations at the time of approval of the Preliminary Site Plan unless Master Developer can demonstrate, to the satisfaction of the Town Council, at the time of final platting and site plan review, that provision of a lesser number of spaces or spaces of lesser size will still provide adequate off-street parking for the proposed use.

#### 3.2 Temporary Uses.

Temporary uses are permitted as follows:

- (a) Mobile sales and information units in any integrated business use area provided no such mobile sales and information unit shall be erected until plans and specifications for such unit have been first submitted to the Town of Castle Rock for administrative review and approved and further provided that no such unit shall be maintained in any area described in a final site plan more than 60 days after a certificate of occupancy has been issued for the first commercial structure within the area being served by such unit without the express approval of the Town Council.
- (b) Construction offices and material storage shall be permitted in all use areas during, and for a period of 30 days after cessation of, actual construction in those areas being served by such construction office or material storage area.
- (c) Temporary concrete, asphalt and mortar batching plants for the purposes of construction on the site or off-site project-related construction.

CN-5847  
DN-88044.7

### 3.3 Signage.

Signage is allowed for all land uses. Except as otherwise specifically provided herein or as may be superseded in subsequent design standards that may be developed by the Master Developer and approved by the Town of Castle Rock for the Land, signage is to be in conformance with the applicable Town of Castle Rock Zoning Regulations & Sign Code at the time of approval of the Final Site Plan.

### 3.4 Residential Buffering

Buffering will be provided between commercial and residential uses. This buffer may be composed of plant material, earthwork and/or architectural elements, such as walls or fences and/or intervening streets (per Town's minimum width requirement). Landscape buffering shall be located within the required site setbacks. The backs of commercial buildings, areas of trash storage, utility equipment, loading and parking will be buffered from adjacent residential properties.

### 3.5 Building Design Guidelines

All buildings shall conform to the Castle Pines Commercial Architectural Guidelines. These guidelines shall specify a range of appropriate building materials, building heights and roof pitches. The guidelines shall also specify appropriate building design in terms of orientation, appropriateness of density, site relationship, bulk, spacing, exterior color and texture, storage areas, lighting and signage. The Master Developer shall provide a copy of the design guidelines to the Town for approval prior to or together with any application for a final plat after adoption of this Ordinance.

### 3.6 Trails

A trail connection to the Town of Castle Rock and Douglas County Trail System shall be provided. Town of Castle Rock officials have indicated that the major community trail system shall run along the west side of Highway 85 along Plum Creek. A connection from the Land to the community trails is desired at Meadows Parkway per Town officials. Any trails within the land shall be designed to conform with the Town Public Works regulations and uniform design standards.

### 5.3 Building Ground Coverage.

Thirty-five percent (35%) of the entire land area may be covered by buildings, exclusive of any rights-of-way, drainage areas, public land dedications, and dedicated private open space.

However, to provide maximum flexibility for innovative design, the development of criteria for building area coverage on individual sites will be reserved until the presentation of final site plans. It is further understood that in certain instances the site coverage of an individual building site may be up to one hundred percent (100%) of the site, provided the applicants demonstrate compliance with the overall concept of entire planning area in which the site is located, and provided that any requirements for parking and landscaping/open space for a particular site using more than 35% building coverage will not be deemed waived, but shall be satisfied in each designated area of the Land.

### 5.4 Maximum Building Height.

The maximum building height which may be constructed by right in the general business district areas shall be fifty (50) feet. At the time of platting, the developer may request, in accordance with the use by special review process which is then in effect, building heights not to exceed seventy-five feet (75'). Action on such a request shall be based on a consideration of at least the following criteria:

- (i) topography of the site and visual impact of the proposed structure;
- (ii) the size of the site;
- (iii) height of adjacent structures;
- (iv) compatibility with adjacent structures;
- (v) effect upon light to adjacent streets and properties; and
- (vi) traffic impact.

Such structures shall meet all applicable provisions of the Uniform Fire Code and Uniform Building Code which are in effect at the time of their construction.

### 5.5 Minimum Setbacks.

To provide maximum flexibility for innovative design, the development of criteria for minimum building setbacks will be reserved until the time of final site plan review, provided that no such final plan will be presented for consideration or approval in such designated areas that does not contain

specific criteria for establishment of minimum setbacks and maximum buildable slopes.

- (a) Multiple family dwellings using the conventional definitions and standards contained in the Castle Rock Zoning Ordinances.
- (b) Elderly/Retirement housing using the conventional definitions and standards contained in the Castle Rock Zoning Ordinances.
- (c) Community information centers.
- (d) Open space and lakes, to include storm water detention areas.
- (e) Personal service establishments.
- (f) Recreation and park facilities.
- (g) Sewage and water facilities.
- (h) Temporary contractor storage yards as defined in Section 3.2.
- (i) Off-Street parking to accommodate other allowed uses.
- (j) Temporary offices and Model Homes.
- (k) Roadways, pedestrian trails and biking paths and open space easements.
- (l) Special community events.
- (m) Any uses consistent with the uses set forth herein. Approval subject to review by the Town of Castle Rock Planning Director.

6.2 Uses by Special Review.

- (a) Home occupations.
- (b) Religious facilities.
- (c) Public and private schools.
- (d) Child care centers.

April 24, 1995  
CN-5847  
DN-88044.7

6.3 Building Ground Coverage.

Thirty-five percent (35%) of the entire land area may be covered by buildings, exclusive of dedicated roadways, parking areas, parking structures and recreation and entertainment and park improvements.

6.4 Maximum Building Height.

The maximum building height which may be constructed by right in the multifamily area shall be fifty (50) feet. At the time of final site plan review, the developer may request, in accordance with the use by special review process which is then in effect, building heights not to exceed seventy-five feet (75'). Action on such a request shall be based on a consideration of at least the following criteria:

- (i) topography of the site and visual impact of the proposed structure;
- (ii) the size of the site;
- (iii) height of adjacent structures;
- (iv) compatibility with adjacent structures;
- (v) effect upon light to adjacent streets and properties; and
- (vi) traffic impact.

Such structures shall meet all applicable provisions of the Uniform Fire Code and Uniform Building which are in effect at the time of their construction.

6.5 Minimum Setbacks.

The minimum building setback shall comply with the Town of Castle Rock Zoning Ordinance for R-3 multifamily residence district, as follows:

- (a) Minimum side yard
  - principal building, five feet (5') (one (1) and two (2) family residential dwelling),
  - principal building for multiple family residential dwellings and uses other than one and two family residential dwellings the minimum side yard width shall be seven feet (7') or the equivalent of one foot (1') for each three feet (3') or fraction thereof of building height, whichever is greater, provided, that for school or church uses no side yard shall be less than twenty-five feet (25') wide,
  - all attached dwelling units are allowed zero side yard setbacks where attached,

April 24, 1995  
CN-5847  
DN-88044.7

- accessory buildings, five feet (5'), not located in the rear one-third (1/3) of the lot,
- all buildings, fifteen feet (15'), where abutting a street;

(b) Minimum front yard:

- all buildings, fifteen feet (15');

(c) Minimum rear yard:

- principal building, twenty feet (20'),
- accessory building, five feet (5').

#### 6.6 Intended Housing Types.

The plan is intended to permit a variety of housing opportunities, subject only to the above restrictions. Although the following descriptions shall not limit the final approved plans, the following is currently anticipated:

Parcel 1 will be traditional multi-family flats, with a maximum of three levels, clustered around open space. The Parcel includes one and two bedroom units. The buildings shall have pitched roofs, a maximum of 24 units per building, and will be sited in relation to the topography.

Parcel 2 will be multi-family townhouses with a maximum of three levels, clustered around open space. The buildings shall have pitched roofs, a maximum of 24 units per building, and will be sited in relation to the topography.

Parcel 3 is intended for retirement housing with provision for 80 nursing beds and related nursing facilities. Development within Parcel 3 will be done in a way so as to minimize disturbance to the existing vegetation and, thus, to maximize open space. It is anticipated that building footprints will consume less than 25% of the site. The building or buildings shall have pitched roofs and conform as well as possible with the existing topography while allowing appropriate access throughout the facility.

SECTION VII  
OPEN SPACE

7.1 Permitted Uses.

- (a) Open space.
- (b) Parks, playgrounds and picnic areas, excluding camping and overnight parking.
- (c) Public or private membership clubs and health clubs including incidental shops, personal service establishments, restaurants and lounges.
- (d) Community centers.
- (e) Community recreational facilities.
- (f) Irrigation water storage facilities.
- (g) Bike trails, pedestrian paths and hiking trails.
- (h) Utility services.

7.2 Accessory Uses.

- (a) Maintenance facilities.
- (b) Automobile parking areas.

7.3 Development Standards.

- (a) Allowable Building Height: 35 feet
- (b) Building Setback: as permitted in the most permissive abutting area.

7.4 Functional Open Space Intent

The open space provided in the plan shall preserve natural views, drainage patterns and significant vegetation; create usable recreation areas and provide density relief within and adjacent to the development. The "Public" open space (P.O.S.) not shown on the Site Plan will be located, as approved by the Town, based upon the purposes above in this Section 7.4. The "Private" (Common) open space is to be distributed throughout the residential parcels in accordance with the Site Plan, allowing innovative planning and design of each parcel in conjunction with said parcel's platting to most effectively preserve natural features such as slopes, rock outcroppings and vegetation. Parcels developing simultaneously may jointly plan and develop Open Space across property lines.

SECTION VIII

ACCESSORY USES PERMITTED IN ALL USE AREAS

8.1 Uses Permitted in All Use Areas.

- (a) Underground utility and communications distribution lines and to specifically include cable television distribution trunks and lines.
- (b) Roadways, bike paths, pedestrian and equestrian trails.
- (c) Parking areas.
- (d) Open spaces and lakes, to include storm water drainage detention areas.
- (e) Fences.
- (f) Wells and well houses, treatment facilities, water pumping stations and sewage lift stations.
- (g) Signage.

SECTION IX

SUBMISSION OF FINAL PLANNED UNIT DEVELOPMENT  
PLANS AND/OR PLATS AND ADDITIONAL INFORMATION

- 9.1 Following the approval of this Ordinance, the owners of parcels within the above-described P.D. Area shall present final PD site plans for all or any portion or portions of the general use areas as are then ready for development.
- 9.2 No structural building permit will be issued until a final site plan and final plat for such area has been approved by the Town Council and filed for the public record.
- 9.3 In those cases where the Subdivision Regulations of the Town of Castle Rock require approval of a final plat by the Town Council prior to sale or transfer of lands, a sale or transfer of a portion or portions of the Land is permitted without prior approval of a final site plan if the deed or other document evidencing the sale or transfer contains the following language:

No building permit will be issued for the erection of any structural improvement in any area described herein for which a final site plan has not been approved by the Town Council of the Town of Castle Rock.

SECTION X  
TRANSITIONAL USE

- 10.1 After approval of the Amendment to the P.D. Plan incorporated herein by reference, any portion or portions of the Land which has not been included in a final site plan may be used for agricultural purposes until approval of a final site plan for the area or areas in question. Agricultural uses, for purposes of this section, shall mean farming, ranching, gardening, buildings and out-building pertaining thereto. It shall not be deemed to include commercial feed yards, commercial poultry or pig farms, fur farms or kennels.
- 10.2 Any activity permitted by this section shall be considered to be a valid pre-existing non-conforming use within the area described above until a Final Site Plan for such area or areas has been approved; provided however, the Town Council reserves the right to prohibit or enjoin such agricultural use in areas for which no final site plan has been submitted if the Town Council determines that due to the proximity of such uses to developed areas a danger exists to the health, safety or welfare of the residents of such developed areas.
- 10.3 Such transitional use areas shall be closed to vehicular traffic and off-road recreational motor biking, excepting agricultural vehicles and implements, emergency vehicles, vehicles engaged in utility and other maintenance work, and designees of the Master Developer and/or Town.

April 24, 1995  
CN-5847  
DN-88044.7

SECTION 3. Severability Clause. If any clause, paragraph, or part of this ordinance is declared to be invalid by a court of competent jurisdiction, the remaining portions shall remain valid and enforceable.

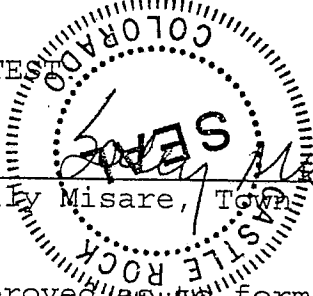

SECTION 4. Safety Clause. The Town Council finds and declares that this ordinance is promulgated and adopted for the public health, safety, and welfare and this ordinance bears a rational relation to the legislative objective sought to be obtained.
