**CRAIG & GOULD'S ADDITION TO CASTLE ROCK  
4TH AMENDMENT  
SUBDIVISION IMPROVEMENTS AGREEMENT  
(South Street Motors Filing No. 1)**

DC9755760

**DATE:** September 4, 1997

**PARTIES:** TOWN OF CASTLE ROCK, a Colorado municipal corporation ("Town"),  
680 N. Wilcox Street, Castle Rock, Colorado 80104.

JOHN WILLCOX, ("Subdivider"), 3005 Masters Point, Castle Rock,  
Colorado 80104.

**RECITALS:**

A. Subdivider desires to plat and subdivide certain property within the Town known as South Street Motors Subdivision Filing No. 1 (the "Subdivision"), more particularly described in the attached *Exhibit 1* (the "Property").

B. The subdivision regulations within the Castle Rock Municipal Code require that the Subdivider enter into this Agreement for the purpose of securing the timely construction of public improvements necessary to provide public utilities and services to the Subdivision. In addition, the parties have identified the need to address certain other issues concerning development of the Subdivision.

C. This Agreement is intended to protect the Town from any liability or cost which may result from the failure of the Subdivider to complete construction of such public improvements to Town standards. This Agreement is not made for the benefit of materialmen, laborers, or others providing work, service or material to improvements on the Property.

**COVENANTS:**

**NOW, THEREFORE**, in consideration of these mutual promises, the parties agree and covenant as follows:

1. Public Improvements. For the purposes of this Agreement, public improvements are defined as the water, wastewater, stormwater drainage, transportation and landscaping or other systems or infrastructure required to be constructed by Subdivider under applicable Town regulations (and/or the approved Final PD Site Plan for the Subdivision) to serve the Subdivision (whether on-site or off-site), which upon their completion are to be dedicated by Subdivider to Town for operation and maintenance by the Town (the "Improvements"). The specifications for the Improvements are set forth in the approved preliminary plat (inclusive of the technical reports and addenda) for the Subdivision (the "Plans").

a. Public Roadway Improvements. Subdivider shall pay to Town the amount of \$12,877, as cash-in-lieu of public roadway improvements required along the South Street front footage adjoining the Property. Such cash-in-lieu payment shall be submitted to Town prior to and as a condition of Final Plat recordation.

2. Construction of Improvements. The Improvements shall be constructed in strict accordance with the Plans, or to the extent not otherwise provided in the Plans, in accordance with applicable Town ordinances, rules and regulations. Subdivider must commence construction of the Improvements within six (6) months of the recordation of the final plat for the Subdivision in the office of the Douglas County Clerk and Recorder and complete construction within one (1) year of plat recordation. Subdivider's obligation to commence and complete construction of the Improvements is effective with recordation of the final plat of the Subdivision and is not conditioned on the commencement of construction of private improvements or the sale of lots or tracts within the Subdivision. Building permits will not be issued until the Improvements required under 16.40.040 of the Castle Rock Municipal Code are completed. No certificate of occupancy may be issued until the Improvements are accepted by the Town for maintenance. In the event Subdivider fails to timely construct the Improvements, the Town, at its option, may declare an event of default as specified in section 5(a), below. In the event of such default, Town shall have no obligation to issue land use approvals (including building permits).

3. Acceptance. Upon substantial completion of the Improvements, Subdivider may request inspection of such Improvements. Town shall make inspection within five (5) working days of the date Subdivider requests final inspection, and Town shall notify Subdivider of non-conforming work within five (5) working days after the inspection is made. Subdivider shall have 30 days from the date of receipt of Town's inspection report to remedy the non-conforming work unless the remedial work is delayed due to weather conditions, in which event the work shall be completed as soon as reasonably feasible thereafter. With cure of non-conforming work and final acceptance of the Improvements by Town, Subdivider shall promptly convey its interest in the Improvements by document in the form attached as *Exhibit 2*.

4. Improvements Security. In accordance with Town regulations, Subdivider shall provide Town with a letter of credit or cash escrow deposit approved by the Town Attorney in the amount of 100% of the estimated construction cost of the Improvements (the "Security"), as a condition to Town's obligation to issue any permits for construction of Improvements. The purpose of the Security is to provide Town with the financial resources to complete construction of any of the Improvements, should Subdivider default in its obligation to complete the Improvements. With Town's acceptance of the Improvements, the Security shall be reduced to 15% of the actual construction cost of the Improvements to secure Subdivider's one year warranty on the Improvements.

5. Default. The following occurrences constitute a default by the Subdivider:

- a. Failure to commence or complete construction of the Improvements within the time periods prescribed in section 2 above;
- b. Failure to cure the defective construction of any Improvement within the applicable cure period;
- c. Failure to perform required work within the Subdivision for a period of more than 90 consecutive days except when such delay is due to adverse weather, material unavailability, or other circumstances beyond the control of Subdivider;
- d. Subdivider's insolvency, the appointment of a receiver for the Subdivider or the filing of a voluntary or involuntary petition in bankruptcy respecting the Subdivider; or
- e. Subdivider has breached, or caused a breach of this Agreement.

As a condition to Town's right to exercise its remedies for default, Town shall give written notice to Subdivider of the occurrence of an event of default. Subdivider shall have 20 calendar days from the receipt of such notice to cure the default. If timely cure of the noticed default(s) is not accomplished, Town shall thereafter be entitled to pursue its remedies against Subdivider.

6. Town's Rights Upon Default. When any event of default occurs and has not been timely cured, the Town may:

- a. call the Security, in accordance with its terms, and apply the Security for site remediation and/or completion of the Improvements as authorized in section 4. Subdivider grants to Town and, if applicable, the surety, and their employees, agents and contractors, a non-exclusive right and easement to enter onto the Property for the purpose of site remediation and/or constructing the Improvements;
- b. suspend Subdivision approval in such event Town may withhold issuance of building permits, certificates of occupancy and tap connection within the Property and record a notice of non-compliance with this Agreement in the public records to provide record notice of Subdividers' default; and

- c. bring suit against Subdivider for money damages and/or equitable relief for breach of the Agreement.

7. Indemnification. Subdivider indemnifies and holds the Town harmless from and against all claims, costs and liability of every kind and nature, for injury or damage received or sustained by any person or entity in connection with, or on account of the construction or repair of the Improvements.

8. No Waiver. No waiver of any provision of this Agreement will be deemed or constitute a waiver of any other provision, nor will it be deemed or constitute a continuing waiver unless expressly provided for by a written amendment to this Agreement signed by both Town and Subdivider, nor will the waiver of any default under this Agreement be deemed a waiver of any subsequent default or defaults of the same type. The Town's failure to exercise any right under this Agreement will not constitute the approval of any wrongful act by the Subdivider or the acceptance of any Improvement.

9. Attorney's Fees. Should either party be required to resort to litigation to enforce the terms of this Agreement, the prevailing party, plaintiff or defendant, will be entitled to costs, including reasonable attorney's fees and expert witness fees, from the opposing party. If the court awards relief to both parties, each will bear its own costs in their entirety.

10. Scope. This Agreement constitutes the entire agreement between the parties and no statement, promise, or inducement that are not contained in this Agreement will be binding on the parties.

11. Notice. Any notice required or permitted by this Agreement will be deemed effective when personally delivered in writing or by facsimile, or three (3) days after notice is deposited with the U.S. Postal Service, postage prepaid, certified, and return receipt requested, and addressed as follows:

Castle Rock, CO 80104

if to Town: Town of Castle Rock  
Attn: Town Attorney

12. Recordation. This Agreement shall be recorded with the Clerk and Recorder's Office of Douglas County, Colorado and shall be binding upon the assigns, successors, and grantees of Subdivider in the same manner as if such third parties were signatories to this Agreement.

13. Immunity. Nothing contained in this Agreement constitutes a waiver of the Town's sovereign immunity under any applicable state law.
